

Sapphire 5 – Toilet Bowl & Urinal Cleaner

Description

A toilet cleaner for regular use.

Features & Benefits

- The Sapphire concentrate product range is cost effective, safer for the end user and also lessens the environmental impact on our planet.
- GECA (Good Environmental Choice Australia) certified to the GECA CPv2.2i-2012 Cleaning Products standard.
- Removes water deposits, rust stains, soap scum and other bathroom soils.
- Excellent for all washroom applications.
- Leaves a pleasant fresh fragrance after application.
- Safe for septic tanks and sewerage treatment plants, will not affect aerobic activity in industrial settling ponds and will not be detrimental to marine life when used in accordance with label directions.

Use Directions

Toilet Cleaning

Fill spray bottle from mixing station. Squirt into toilet bowl. Agitate sides and under rim with stiff brush. Allow to act for minimum of 5 minutes, then flush. DO NOT SPRAY.

Urinal Cleaning

Fill spray bottle from mixing station. Squirt onto top of urinal. Scrub with brush. Allow to act for minimum of 5 minutes, then flush. DO NOT SPRAY.

Safety Information
